

# SELECTION GUIDE

If you're thinking about boosting the water pressure all around your home, then think about the super-smart DAB e.sybox.

The integrated DAB e.sybox is a whisper quiet home booster system that uses less energy yet delivers constant water pressure to taps and showers, any time you need it.

**Discover the whole e.sybox line now!**

|  | PRESSURE BOOSTING        |   |  |   | IRRIGATION                             |  |
|--|--------------------------|---|--|---|--|--|
|  | MAX NUMBER OF APARTMENTS |   |  |   | N° MAX SMALL AREA SPRINKLERS RADIUS 4M | N° MAX LARGE AREA SPRINKLERS RADIUS 14 M |
|  | MAX NUMBER OF STOREYS    | SMALL HOUSE                             | MEDIUM HOUSE                                       | LARGE HOUSE   |  |  |
|   | 1                        | kitchen + 1 bathroom + laundromat (8 🏠) | kitchen + 2 bathrooms + laundromat + garage (13 🏠) | kitchen + 2 bathrooms + 1 WC + laundromat + garage + 4 sprinkler (19 🏠) | Flow: 6 l/min<br>Pressure: 2,4 bar     | Flow: 20 l/min<br>Pressure: 3,4 bar      |
|  | 2                        | 2                                       | -  | -   |  |  |
|  | 3                        | 1                                       | -  | -   |  |  |
|   | 1                        | 6                                       | 4  | 3   | 16                                     | 4  |
|  | 2                        | 5                                       | 4  | 3   |  |  |
|  | 3                        | 5                                       | 4  | 3   |  |  |
|  | up to 6                  | 4                                       | 3  | -   |  |  |
|  | 1                        | 10                                      | 7  | 5   | -                                      | 7  |
|  | 2                        | 10                                      | 7  | 5   |  |  |
|  | 3                        | 9                                       | 7  | 5   |  |  |
|  | up to 6                  | 8                                       | 5  | 4   |  |  |
